The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**APPROVE AMENDMENT NUMBER SIX TO AGREEMENT NUMBER 76038
WITH QUEST DIAGNOSTICS, INCORPORATED
FOR MEDICAL LABORATORY SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County Sheriff's Department (Department) is seeking the Board's approval and execution of Amendment Number Six (Amendment) to Agreement Number 76038 (Agreement) with Quest Diagnostics, Incorporated (Quest), that will extend the term of the current Agreement for medical laboratory services (Services) for 12 months, plus up to an additional 6 months. This extension period is required to allow the Department to transition the Services to the Los Angeles County (County) Department of Health Services (DHS) as requested by the Board. The Department cannot commence the transition until DHS completes its implementation of their health information system with Cerner Corporation (Cerner).

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Chairman of the Board to sign the attached Amendment to the Agreement with Quest to continue providing Services. The Amendment will extend the term of the Agreement for 12 months, from February 20, 2014, through and including February 19, 2015, with an option thereafter to extend for up to an additional 6 months.
2. Delegate authority to the Sheriff or his designee to (1) execute the extension option, and (2) terminate the Agreement earlier, in whole or in part, with thirty days advance written notice, once the transition to DHS has been completed.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of this action will enable the Department to provide continued medical treatment to inmate patients, and allow Quest to provide the required Services while the Department completes the transition to DHS, as directed by the Board.

The Department will transition Services once DHS completes implementation of its health information system with Cerner, and the interface between Cerner and DHS' contracted laboratory services provider Sunquest Informations Systems is completed.

Implementation of Strategic Plan Goals

The services provided under this Amendment support the County's Strategic Plan, Goal 1, Operational Effectiveness; and Goal 3, Integrated Services Delivery. The Amendment will enable the Department to provide a quality level of inmate medical laboratory services.

FISCAL IMPACT/FINANCING

The annual expenditures for this Service are estimated to be approximately \$4.5 million. Over the term of the extension to the Agreement, appropriate allocations will be established in the Department's operating budget to meet the anticipated need for the fiscal year. However, actual expenditures will only be incurred on an as-needed basis.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Department is responsible for providing reasonable medical treatment to inmates in custody. Since September 1, 2000, the Department has contracted with Quest for Services.

The Services include, but are not limited to diagnostic analyses of specimens for the purpose of assisting County physician(s) in determining the appropriate medical treatment for inmate patients being held by the Department. Under both Federal and State laws, the Department has the legal obligation to provide medical treatment to its inmate population. Proper treatment is dependent on laboratory test results.

Quest's laboratory information system currently interfaces with the Department's remote-hosted Jail Health Information System application, which provides complete medical records of inmates in custody. Once the Department transitions Services to DHS, the Agreement with Quest will be terminated. The current Agreement expires February 19, 2014.

The Amendment extends the term of the Agreement for a period not to exceed 18 months.

Quest is in compliance with all Board and Chief Executive Office requirements.

County Counsel has reviewed and approved Amendment Number Six.

Except as expressly provided in Amendment Number Six, all other provisions and conditions of the Agreement will remain the same and in full force and effect.

The Honorable Board of Supervisors
